Comments of the Student Beneficiaries from Soft Skills, Skill Up gradation and Capacity Building Programmes

Sr No	Name of the Student	Comments
1.	Nivedita F-2018-74-BIV, 4 th year COF niveditakapur33@gmail.com	The certification course of Savoir Faire was conducted in an online mode for the students by our esteemed U. The highlight for me was the interaction with a supportive and delightful mentor. Our mentor presented valuable insights regarding development of our social skills, which will help us to intern enhance our personality and the way we conduct ourselves. I like the interactive atmosphere of the course. I appreciated the liberty to ask any question to the mentor. This course helps me understand various aspects of public speaking, realizing my own strength and weaknesses. Managing my time in the most productive manner. I am getting a life time valuable knowledge. This course has led to my overall self development. It was immensely helpful in bringing out the best internal potential to the surface in every aspect of every student.
2.	Loveneesh Mehta F-2018-58-BIV BSC. Hons Forestry 4 th year loveneeshmehta@gmail.com	It was an amazing opportunity to interact with various resource persons and develop communication skills much needed in today's world. I am very thankful to Dr. K.K. Raina, Head Department of Management and PI -IDP for giving me this wonderful opportunity to learn the very needed skill of public speaking.
3.	Sejal Thakur F-2018-99-BIV BSC. Hons Forestry 4 th year Myself129129@gmail.com	I found the course very informative as it was an interactive session that helped me to learn different life skills. I learn a lot of new things that will be helpful to me in every aspect of my life. I am very thankful to the speaker as well as the organizers for giving us the opportunity to attend this course.
4.	Abhishek Rana NF-2018-04-BIV 4th year COF Abhishek.palp01@gmail.com	The whole course of Savoir Faire has played a key role in our lifestyle. We were made familiar with most of real life knowledge about our various routine activities and made were made to experience and practice about where we are lacking and how we can actually correct our lifestyle at overcome those situation in order to become a good professional. Definitely to start a big thing we probably need to start with smaller ones. This thing was told in a great way also all other parameters like time management, goal setting, different goals and remembering about those goals were among best thing that are told and also we got an opportunity to learn more and

		more and interact as well as what we have learned got a chance to apply those on our daily lifestyle as well.
5.	Kashish Kesta NB-2019-12-BIV B. Tech Biotechnology 3 rd year Kashishkesta55@gmail.com	I felt very glad for being a part of this course. I learned many good things from the online sessions given by the teachers. They taught us with their full dedication and devotion by keeping in mind the convenience of students. They had taken out their precious time for us from their daily schedule. We learned about management of time and many other things. That is going to be helpful for us in our coming time. This was an awesome initiative taken by the side of our university I.e. Dr. Y.S Parmar University and I am very lucky to be a part of this University. I thank you so much for organizing such lectures.
6.	Archi Mishra H-2019-15-BIV BSc 3 rd year, COH marchi737@gmail.com	It was really helpful session. We learned about social etiquette, time management, and stress management. It was really helpful in increasing skills required in personal as well as professional life.
7.	Ujjval Saini NF-2019-70-BIV BSc 3 rd year COF Ujjvalsaini821@gmail.com	I really enjoyed this 16 days course. It was an interesting course that helped me to develop my personality step by step and improving myself. I gained valuable insight towards managing communications, relations, work, stress, behaviour, actions, etc. Overall this course helped me to identify the value of learning and improvement alongwith development of my personality.
8.	Ruchika Sharma NH-2018-57-BIV BSc-3rd year COH Sharmaruchika563@gmail.com	I have learned a lot of from this course. Apparently I am keeping this knowledge alongwith me. Everything on your part was aptly commendable and great. It was an honour to be a part of this course which offered so much to learn. Alongwith learning there was enjoyment also. Hope to catch some more opportunity like this from your side.
9.	Kunika Sharma NB-2018-10-BIV Biotechnology 4 th year Kunikasharma666@gmail.com	I am thankful to our IDP department for conducting these lectures and this course helped as in enhancing our communication skills, developing personality and this will surely help us to gain success in our life.
10.	Shweta Shrey H-2019-103-BIV BSc. 4 th year COH	I attended the Savoir Faire - course which boosted my confidence and also I studied about mushroom through the vocational course in

Students Feedback

		lockdown. My uncle was out of job unfortunately, so I told him about the mushroom cultivation that is big for me as my former self would not have had the confidence to talk and somehow I was able to influence him and he turned into a small mushroom production unit and he is earning 30,000 to 50,000 per month from that.
11.	Kalash NF-2019-24-BIV BSC 3 rd year COF Kalashmalhi21@gmail.com	I am glad that I was part of this golden university given by our University. I get to know about many dignitaries who by their motivational words changed my view of thinking. I am grateful that dignitaries gave their precious time to us.
12.	Inkita F-2019-42-BIV BSC Forestry 3 rd year	I felt very grateful being a part of this course. I learned much about communicating and expressing skills
13.	Anubhav Pathania NH-2019-17-BIV BSC Hons 3 rd year COF, Neri Anupathania41@gmail.com	It was truly an honour to be part of this course. I have truly accrued unsurpassed skills and knowledge by being a part of this course. I would definitely apply the information garnered in my day today life. Hoping to learn more. I honestly want to thank for the efforts of entire team of IDP.
14.	Pushplata Jannagal F-18-90-BIV BSc 4 th year, COF	I got to learn a lot about myself. I was able to find my strength and weakness and also appreciate myself. The course also helps to built self confidence.
15.	Amisha Chauhan H-2019-11-BIV BSc 3 rd year Horticulture Amishachauhan669@gmail.com	I attended all the classes of the Savoir Faire programme in which we got to know about how to develop a personality. This course keep me motivated towards my study and to get better in my studies. This course was very helpful for our generation students who are commonly quite busy in wasting time. I urge the management committee to keep organizing these courses for overall development. I thank the management committee of this course and all other members for giving us such exposure and opportunity to build a personality in a better way.
16.	Rajat F-2019-79-BIV BSc 4 th year, COF	This course help me to become self aware of my strengths and areas I need to work on. This course helped me to boost my confidence. I am very thankful to you and IDP for giving me this opportunity. I want to attend more courses like this in future.
17.	Komal Thakur NF-2018-31-BIV BSC 4 th year COF Komalthakur142000@gmail.com	During this session I have learned a lot of life remembering things. Most importantly dealing with anxiety and stress related to exam and confidence building. During this session we got a

Students Feedback

		chance to make interaction with many officials and DFO of National Park. He shares about how they are managing it and improving the life of people there by generating employment. This session was very good.
18.	Shiwangee NF-2018-53-BIV BSC 4 th Year COF Shiwangee2001@gmail.com	During this session, I have experienced a lot of life changing lectures by our speaker. I am very grateful to the organizing committee for organizing such a wonderful course.
19.	LaxmiRaman H-2019-47-BIV BSC 3 rd year COH	It was a good course and it helped me to improve my skills and boost my confidence.
20.	Nikita Saini NH-2019-42-BIV 3 rd year COH	The lecture which I attended were totally knowledgeable, helped me in boosting self confidence and gave a realistic view that how we can face audience and also various aspects like cooperation and how to act in a condition where we are not well prepared.
21.	Amisha Thakur NH-2019-10-BIV	I am thankful for the opportunity I got to interact with Kushal sir. I had great time learning which helped me gain confidence and awareness about my career opportunities. I express my gratitude.
22.	Palawi NF-2019-73-BIV BSC Hons 3 rd year, COF	Interesting topic studied in this course.

40.	Anu Sharma NB-2019-09-BIV 3 rd year B. Tech Biotechnology Anus4157@gmail.com	I am feeling short of words to express the exceptional hard work being put in the on line classes. The way you were interacting with us making learning so interesting. All the online classes were amazing with your guidance we are able to develop a lot of confidence and public speaking skills in us.

Remote Sensing and Geographical Information System (RS&GIS)

41.	Priyanka Sharma	There is no doubt that the knowledge we have got because of this green energy course is very helpful for us. As we all know, nowadays natural resources are getting depleted, so solar energy plays a very important role in conserving these natural resources. So, I am grateful to all those who organized this course, and specially our teachers who have gave such an impactful lectures to us ..
42.	Swastika BSc Forestry (Second year) F-2020-103-BIV	<ul style="list-style-type: none"> ➤ The main focus was on community problems and how different solutions have been implemented by intellectuals across India utilizing renewable energy sources like solar in photovoltaic cells, solar cold storage, wind in windmills, and biomass in domestic and commercial spaces. Even predicting natural disasters and climate change using GIS. ➤ Conversations with founders of startups and scientists from all over India have been great experiences for me. After hearing about their endeavor, I am inspired to look for a social issue and find a solution for the betterment of society and the nation.
43.	Vibhuti	<ul style="list-style-type: none"> ➤ i have found this class very interesting and fast paced. Most of that will have to do not making enough time because of other classes. ➤ I had a great exprience with the course.I learned so many interesting things that I would not have learned if I did not take this course. I liked this course a lot, there was not a bunch of boring lectures to attend and it was not only required to attend the lectures and read the book. This course is at your own pace, as long as you keep up with the schedule and their are a variety of sources to look at to enhance the learning experience. ➤ I think that this course is very effective and is and is as equally effective as a face to face course.
44.	Ritika Grover BSc Horticulture 3rd year H-2019-81-BIV	<ul style="list-style-type: none"> ➤ First of all I would like to thank the authorities for providing us with the opportunity to enroll for these certificate courses. The knowledge

Students Feedback

		<p>that we have gained through the courses is of immense significance. Being a Horticulture student, I learnt more about how to utilize the solar energy in an efficient manner for easy farm operations and even processing of products using the solar dryer, cold storage.</p> <ul style="list-style-type: none"> ➤ Predicting natural disasters and climate change using GIS. This can also be used in the farm for fertilizer and pesticide usage in a precise manner so as to avoid extra usage of resources and leading to a sustainable tomorrow.
45.	Sheeraj Ahmed Malik B.Sc. Forestry 2nd year	<ul style="list-style-type: none"> ➤ Remote Sensing and Geographic Information System ➤ I'm just amazed at the ability to actually use the internet for a classroom. Classes like this one provide people with rigid schedules and diverse obligations the opportunity to get the credentials they need to achieve their goals. I really enjoyed the course, and was pleasantly surprised at the vast amount of information.
46.	Prishvi Sharma B.Sc. Horticulture 3rd Year	<ul style="list-style-type: none"> ➤ The certificate course based on Remote Sensing and GIS made us realise the significance and utility of Spatial technology in all spheres of our lives. These courses tend to widen our mental horizon regarding the use of GIS technology. ➤ Not only in agriculture but in other minute processes also implementation of GIS and remote sensing can make our lives much more easier. ➤ Thank you to IDP for introducing us to this course.
47.	Monika Kumari B.Sc. Forestry 2nd year R.S. & G.I.S.	<ul style="list-style-type: none"> ➤ This certificate course made me to think beyond my imagination that this type of technology exists that provide the data of the globe and events occurring on it.. ➤ Extremely pleased to attend and looking forward to attend more.
48.	Parul Rana Bsc.forestry 2nd year R.S.and G.I.S	<ul style="list-style-type: none"> ➤ This course provide us basic knowledge about gis and remote sensing which is compulsory and interesting for all..This can change our level of thinking..we can plan more effectively by using this application in any field of our life..I want to thank all the staff members,IDP department and all faculties to provide us such opportunity

Students Feedback

		and I expect you also gave us many more opportunities to enroll more courses which are helpful for all of us. Thankyou.

Agriculture Drone

49.	ANJALIKA DHIMAN B.Sc. (Hons.) Forestry Final year F-2018-16-BIV	<ul style="list-style-type: none">➤ I would like to thank the program coordinator as well as Dr KK Raina for providing me the opportunity to participate in the certificate course on Agriculture Drone held during 18 - 23 April 2022.➤ The session was not only informative but also a fun session and I did learn a lot of new things apart from my regular studies.➤ A great thanks to our teacher Mr. Singh who taught us with dedication and shared his knowledge.➤ Through this course not only did I learn about the use of drone and its working in agriculture but also this session helped me have a little break from the regular schedule which is a great initiative by IDP for the students. Thank you
50.	Sanatan Katna B.Sc. (Hons.) Forestry Final year F-2018-96-BIV	<ul style="list-style-type: none">➤ I am highly thankful for the efforts taken by IDP by organising such course for the students.➤ I enjoyed the course way too much as we were taught and guided so well.➤ The best part of this course was that we were taught practically and also each one of us got a chance to learn things practically which is much retentive as compared to theory. Thank you
